P An edited version of this song (with vocal overdubs) was released in Italy on a one sided 12" record issued with a box set of Young's LPs - **Neil Young Heritage**. The same version also appears on the bootleg LP **Los Angeles 12.11.1988** and the bootleg CDs **Love Art Blues** and **Lucky Seventeen**, although it is mistakenly identified on the last two as from Roosevelt Stadium. It also appears on the bootleg CDs **Rarities, Legend Of The Loner, Jewel Box 6 Rare Live & Unreleased** and **West Coast Is Falling** and on the **Westwood One CD Hard To Find**.
