**Déjà Vu - (Film / CD / DVD)**

The film soundtrack CD features songs from various venues as follows. The film (& DVD) has been edited from footage shot at various venues and features the same songs but it should be noted that the video source (i.e. date and venue) for any song does not necessarily correspond with the audio source. At present it remains undetermined how much audio editing was actioned. The soundtrack also adds the *Living With War* theme recorded at Audio Resource, Honolulu, HI on February 9, 2007. A recording of *The Restless Consumer* was available as an album extra to download from iTunes.
